# Agile Team Charter

## 1. Team Purpose & Vision

**Why do we exist as a team?**

We exist to develop a digital solution that connects residents in Belhar with reliable local service providers.

- **Team mission:**
  To solve the problem of difficulty in finding trustworthy skilled workers in Belhar by creating a platform that connects residents with verified service providers.
- **Success definition:**
  A functional application is developed. Users can register, search and connect with workers, Positive feedback from users during testing, successful completion and presentation of the project.
- **Product / Service:**
  A mobile/web application that allows residents to find, review and hire local skilled workers, while enabling workers to advertise their services.

---

## 2. Team Members & Roles

**Who is on the team and how do we contribute?**

| Name | Role | Key Responsibilities |
|---|---|---|
| Andile | Product Owner | Oversees project, manages requirements, coordinates tasks, ensures deadlines are met. |
| Andile | Agile Lead | Facilitates meetings, ensures Agile practices are followed |
| Zahrah | Developer / Analyst / Tester | Research, testing, validation, assists with feature development |
| Olona | Developer/Designer | UI/UX design, frontend development, visual elements |

---

## 3. Ways of Working

**How we work together day to day**

### 3.1 Agile Framework

- ☑ Kanban – Trello tool

### 3.2 Ceremonies

| Ceremony | Frequency | Purpose |
|---|---|---|
| Daily Stand-up | Daily | Share progress, plans and impediments. |
| Planning | Weekly | Plan tasks and priorities |
| Review / Demo | End of sprint | Demonstrate completed work |
| Retrospective | Weekly | Reflect and improve team processes |

---

# 4. Working Agreements

**Rules we agree to follow as a team**

- We show up prepared and on time
- We respect timeboxes
- We give constructive feedback
- We raise blockers early
- We commit to continuous improvement
- We communicate clearly and regularly
- We support each other when challenged arise

---

# 5. Communication

**How and when we communicate**

- **Primary channels:**
  WhatsApp (quick communication).

  Microsoft teams (meetings and collaboration).

  Email (formal communication).

- **Response-time expectations:**
  Response within a few hours during the day, urgent messages responded to as soon as possible.
- **Remote / hybrid norms:**
  Be available during agreed working times. Participate actively in online meetings. Keep communication clear and consistent.

---

# 6. Decision-Making

**How decisions are made**

- ☑ Consensus
- ☑ Team vote

*Escalation path if we're stuck:*

- Discuss as a team first
- Escalate to product owner
- Seek guidance

# 7. Definition of Done (DoD)

**When is work really "done"?**

Example:

- Code completed and reviewed
- Features are working correctly
- Testing is completed successfully
- Documentation updated
- Approved by the product owner
- Ready for demonstration

---

# 8. Core Values & Behaviours

**How we treat each other**

- Respect
- Transparency
- Accountability
- Trust
- Learning mindset
- Team collaboration

---

# 9. Risks & Constraints

**What could impact our success?**

- **Known risks:**
- Technical challenges during development
- Tim constraint sue to academic workload
- Bugs and system errors
- Limited experience with some tools

- **Dependencies:**
- Internet access
- Development tools/software
- Team collaboration

- **Constraints (time, budget, tools, skills):**
- Limited time to complete project
- No budget(student project)
- Limited technical experience
- Access to required tools and devices

---

# 10. Review & Improvement

**Keeping the charter alive**

- Charter reviewed every:
  ☐ Quarter ☐ Release ✅ Retrospective
- Last updated: __April 2026_

---

# 11. Team Commitment

**Our agreement to this charter**

By working on this team, we commit to the principles and agreements outlined above.
